

Steel City Blues Society

The Steel City Blues Society (SCBS) was formed in March 2010. SCBS is a nonprofit organization established to cultivate and preserve the tradition of blues music. SCBS plans to sponsor community events such as the Phoenixville Blues Festival, to raise money for other local charities.

Another objective of the SCBS Blues Society is to educate the community about the history, importance and vibrancy of Blues music. Future programs may include "Blues in the Schools" programs, used music instrument drives, battle of the bands and other awareness raising activities.

Annual membership in the Steel City Blues Society costs \$15 for students, \$25 for individuals and families, households and bands.

Membership benefits include participation in monthly/quarterly jams, local events, local discounts, periodic newsletters and other mailings.
